

## KPMG International Case Competition

Your thinking could take you further than you imagined.

To Brasil, for example.

September 2013

Dear students,

On 15 and 19 November 2013 we run a competition for the university students, where you can solve case studies in teams and present your solutions to the judging panel consisting of your university deputies and KPMG professionals.

Our International Case Competition offers you and three teammates the chance to tackle real world business issues. If you get to the top of the national case competition, you'll find yourself on your way to **Sao Paulo, Brazil** on an all-expenses-paid trip to the international final. There, you'll have the chance to network with your peers from around the world as you compete among the brightest minds for the global title.

### **When**
