FUTURE, CHANGE
AN INDUSTRY'S.

Finance Graduate Program

People make Dell – so wherever in the world they work, everyone is rewarded for their contribution. Ready to develop your career in a truly global company? Within the Finance at Dell, we are looking for talents to join Finance Graduate Program in Bratislava.

Key Responsibilities

- Finance Graduate Program is aimed for graduates in the field of management or economics. Dell Bratislava has been running the program since 2006.
- It is a full time job in one of our financial organizations (fin. planning, accounting, tax...); a fixed term contract is signed for 1 year.
- The program is an on the job learning combined with trainings in finance and business acumen, technical skills, finance systems, communication and presentation skills and case studies.
- Its aim is to form the future financial leaders in our organization. After the program is over you would have the opportunity to continue in our Finance Development Program where you would have the chance for a 6 month international assignment.

Essential Requirements

- Are 2016 (full-time) graduates in Business or Finance
- Are fluent English speakers & writers
- Have strong presentation skills
- Have strong academic record
- Have very good computer skills

Benefits

Our people are the most critical component of our long-term success and their health and wellbeing are our priority. You will enjoy a comprehensive, locally competitive benefits package.
