

Audit Assistant

When you're just starting out on your professional career, the first step you take can be the most important. You need to be sure that you are joining a team that will allow you to grow and develop as you strive to reach your goals.

You wonder about the atmosphere at work and you want to remain yourself without losing your unique personality traits in the structures of a big corporation. Finding the right firm for you can be hard with so many choices. But if you want to make all these happen, come talk to Deloitte - the global professional services firm that cultivates its employees and performs at your tempo.

In Audit we provide clients with professional advice and assurance on their controls and accounting systems all year round. We understand our clients' operations, their industry and the issues they face, and this enables us to provide them with relevant advice. The combination of our specialist skills, industry expertise and ongoing investment allows us to anticipate complex business problems for our clients and recommend preventative action.

Key responsibilities:

- Participating in audits of financial statements prepared in accordance with Slovak GAAP, IFRS and US GAAP of various national and multinational companies and institutions
- Using our proven Deloitte methodology
- Following a tailored training programme and being coached by our seniors and managers in order to gain increasing autonomy and technical know-how allowing fast career progression
- Rapidly developing team management responsibilities
- Being encouraged to gain further qualifications

We offer:

- Systematic education and career development
- International working environment
- Attractive remuneration for good performance
- Wide range of employee benefits
- Deloitte training at a national and international level

- Support in ACCA study and other professional qualifications

Requirements:

- University degree or in the last year of studies
- Very good English (German is welcome)
- Well-developed communication skills
- Good analytical and PC skills (MS Office, Internet)
- Team player and self-confident person
- Willingness to travel
- Initiative
- Motivated by self-education

Tax Consultant

When you're just starting out in your professional career, the first step you take can be the most important. You need to be sure that you are joining a team that will allow you to grow and develop as you strive to reach your goals.

You wonder about the atmosphere at work and you want to remain yourself without losing your unique personality traits in the structures of a big corporation. Finding the right firm for you can be hard with so many choices. If you want a career where all this, and more, is possible, come talk to Deloitte - the global firm providing professional services and taking care of employees' individual development.

In the Tax department we deliver a broad range of fully-integrated tax services. Our approach combines insight and innovation from multiple disciplines with business and industry knowledge to help our clients excel globally. In addition, to give our clients peace of mind, we help them comply with local tax regulations wherever they operate in the world. When disputes arise with the tax authorities, we are there to help deal effectively with these authorities.

Key responsibilities:

- Take charge and bear responsibility for assigned tasks
- Research issues and work within a team to recommend possible opinions or positions to management
- Apply an understanding of accounting and tax issues influencing client tax and business transactions
- Develop and maintain distinct tax relationships with peers at client organisations
- Apply technical knowledge and research in formulating client tax recommendations

We offer:

- Exciting work in a young dynamic multicultural team
- Excellent opportunity for professional and personal development
- Accessibility to cutting-edge worldwide business knowledge
- Opportunity for an international career in a global company

- Deloitte training at a national and international level
- Support in gaining professional qualifications
- Attractive remuneration for good performance
- Wide range of employee benefits

Requirements:

- University degree or in the fifth year of studies of Economics, Management or Law
- Strong diagnostic, analytical and consulting skills
- Ability to develop strong relationships with clients
- Well-developed communication skills and fluent Slovak and English are essential (German is welcome)
- Excellent PC skills (MS Office, Internet)
- Motivated by self-education

Date of start:

- September 2014
